

The art of handling air

ABOUT TROX UK

TROX UK is a leading designer and manufacturer of HVAC and building services solutions. With over 50 years experience in the industry, our outstanding design expertise keeps us at the forefront of product innovation.

The desire to lead the industry rather than follow has seen TROX continuously launch the most efficient and flexible range of air distribution and comfort conditioning systems in today's market.

Working closely with architects, developers and consultants we offer a valuable extension to the project team.
