

## TROX LIFE - THE MAGAZINE FROM TROX

### THE NEW TROX LIFE...

### ...IS SUSTAINABLE!

One of the most used, but also one of the vaguest terms, in our language is sustainability. We should eat sustainably, live close by, move sustainably, work and live sustainably.

However, what does sustainability mean? Where does the term come from? What does it tell us?

The new TROX life tries to provide answers to these questions.

With a series of contributions from the areas of nature, energy, business, and life, TROX life has approached the topic and wants to bring clarity to a thoroughly nebulous term.

What TROX is doing to make the company sustainable will be highlighted, as will the technical innovations with which TROX is preparing for a sustainable future.

### MISSED A TROX LIFE ISSUE?

Our goal is to awaken your interest in air and keep it awake! The TROX life customer magazine gives you regular updates on the topic of air and offers many interesting perspectives.

You have missed an issue of the TROX life? You can choose here which issue(s) of TROX life you would like to order free of charge.
