2.5. Where the Order is placed by the Buyer through the Website, the Seller may send an email to the Buyer confirming the Seller's receipt of that Order. For the avoidance of doubt, the provision and receipt of an email confirming the Seller's receipt of an Order shall not constitute an Order Acknowledgement.

2.6. The Order shall only be deemed to be accepted when the Seller issues an Order Acknowledgement, at which point and on which date the Contract shall be formed.

2.7. Acceptance of any Order placed by the Buyer shall be at the Seller's discretion and the Seller shall be entitled to reject or refuse any Order for any reason (including where the Goods and/or Services are no longer in stock or because the credit worthiness of the Buyer has not been established to the satisfaction of the Seller).

2.12. The Buyer shall be entitled at any time, whether verbally, in writing or otherwise through use of the 'Calculate the price' mechanism on the Website, to make a Request for Quotation in respect of specific Goods and/or Services. Following receipt of a Request for Quotation, the Seller shall exercise reasonable endeavours to promptly provide the Buyer with a Quotation in respect of the Goods and/or Services identified in the Buyer's Request for Quotation. The Quotation may be provided to the Buyer through the Website, by email or otherwise in writing.

2.13. Any Quotation given by the Seller shall not constitute an offer (including, for the avoidance of doubt, where such Quotation is provided in response to a Request for Quotation from the Buyer) and is only valid for a period of 7 calendar days from the date of issue of the Quotation (save where the Seller has expressly agreed in writing to a different period).

2.14. The Seller shall only be obliged to comply with any Goods Specification where it has expressly agreed to do so in writing. 2.14.2. the Seller shall have no liability to the Buyer in respect of any fault, defect, failure, loss or damage caused by or in connection with the Goods where such fault, defect, failure, loss or damage was due (in whole or in part) to the Goods Specification (including but not limited to in respect of the Goods themselves); and

2.14.3. the Buyer shall indemnify the Seller against all liabilities, costs, expenses, damages and losses (including but not limited to any direct, indirect or consequential losses, loss of profit, loss of reputation and all interest, penalties and legal and other reasonable professional costs and expenses) suffered or incurred by the Seller in connection with any claim made against the Seller as a consequence of the Seller's use of or compliance with the Goods Specification (including but not limited to any actual or alleged infringement of a third party's intellectual property rights arising out of or in connection with the Seller's use of the Goods Specification).

Condition 2.14.3 shall survive any termination of the Contract.

2.15. The Buyer confirms and acknowledges that it is not a consumer and that it enters into each Contract as a business.

3. The Goods

3.1. The Seller shall sell and the Buyer shall purchase the Goods in accordance with the terms of the Contract.

3.2. The Seller shall not be liable if such Goods being a component part or parts of a solution are not suitable for use with other parts purchased by the Buyer in relation to such solution from persons other than the Seller or if such parts do not together perform in the manner required by the Buyer, or if the Goods are not used and/or applied by the Buyer as directed by the Seller.

3.3. The Seller does not warrant that the Goods will be fit for any particular purpose and the Buyer agrees that the Goods are not required for any particular purpose.

3.4. The Seller provides the Goods on the basis that the Goods are designed only to be installed / used in accordance with both the relevant DoP and IOM and the Seller shall have no liability whatsoever to the Buyer or any third party where the Goods are not installed / used in accordance with the relevant DoP and / or IOM.

3.5. The Buyer shall give the Seller any necessary information relating to the Goods and/or Services within a sufficient time to enable the Seller to perform the Contract in accordance with its terms.

3.6. The quantity, quality and description of and any specification for the Goods shall be those set out in the Order Acknowledgement.

3.7. The Seller reserves the right to make any changes to the Order for the Goods which are required to conform with any applicable safety or other statutory requirements or, where the Goods are to be supplied to the Seller's specification which do not materially affect their quality or performance.

3.8. All Intellectual Property Rights in or arising out of or in connection with the Goods and/or Services including, without limitation, any drawings, designs, specifications and other information provided by the Seller under the Contract shall be owned by the Seller and shall not pass to the Buyer. The use by the Buyer of such Intellectual Property Rights shall only be permitted where given expressly in writing by the Seller.

4. Services

4.1. This condition 4 shall only apply where the Seller has expressly agreed in writing to provide Services to the Buyer. Save where this condition 4 applies and subject always to condition 9, the Seller shall have no liability whatsoever for any advice (whether verbal or in writing) provided to the Buyer at any time.

4.2. The Seller warrants that the Services (if any) will be supplied with reasonable skill and care. In no event shall the Seller's liability for the Services exceed this standard of care.

4.3. Time shall not be of the essence in respect of the provision of the Services.

4.4. All drawings, designs, specifications and other information provided by the Seller pursuant to the Services are confidential.

5. Prices and Terms of Payment

5.1. The price of the Goods and/or Services shall be the price(s) as set out in the Order Acknowledgement.

5.2. The Seller reserves the right to: a) increase its fee rates for the charges for the Services; and b) increase the price of the Goods, by giving 7 calendar days' notice to the Buyer at any time before delivery, to reflect any increase in the cost of the Goods to the Seller that is due to: any factor beyond the control of the Seller (including foreign exchange fluctuations, increases in taxes and duties, and increases in labour, materials and other manufacturing costs); any request by the Buyer to change the delivery date(s), quantities or types of Goods ordered, or the Order; or any delay caused by any instructions of the Buyer in respect of the Goods or failure of the Buyer to give the Seller adequate or accurate information or instructions in respect of the Goods.

5.3. Except as otherwise stated in the Order Acknowledgement:

5.3.1. in respect of Goods, the Seller shall invoice the Buyer on acceptance of delivery or at any time after completion of delivery.

5.3.2. in respect of Services, the Seller shall invoice the Buyer on completion of the Services or part thereof or (following commencement of the performance of the Services) in monthly instalments in arrears, whichever is the soonest.

5.4. The price of the Goods is exclusive of the current rate of value added tax, import duties, delivery, insurance and the costs associated with fitting or erecting the Goods, and any other charges which are stated in the Order Acknowledgement as being excluded.

5.5. Payment of each invoice must be made by the Buyer within 30 calendar days of the end of the month in

which the invoice is issued (unless otherwise agreed). Time for payment shall be of the essence of each Contract.

5.6. The Seller shall be entitled to withhold supply of any further Services or delivery of any Goods (or any further delivery in the case of a delivery effected in instalments) in the event of the Buyer's non-payment in full in respect of the same. The Seller may, without limiting its other rights or remedies, set-off any amount owing to it by the Buyer (in respect of any outstanding account) against any amount payable by the Seller to the Buyer.

5.7. In the event Goods are made available to the Buyer in time for the agreed supply date, but the Buyer instructs the Seller in writing to delay actual supply, then the Seller may accept such instruction on the strict condition that the invoice of the Seller (or any portion of the invoice as specified by the Seller) shall become immediately due and payable by the Buyer, and that furthermore, the Seller will have the option to render a storage charge and be indemnified in respect of all and any associated costs in respect of any Goods which need to remain in the care of the Seller until the date of supply which in any event shall be no later than 3 months. Thereafter the Seller shall be entitled to terminate the Contract. The Buyer will remain liable to the Seller for all and any outstanding costs (including but not limited to the whole of the cost of the Goods).

5.8. The Buyer shall pay all amounts due under the Contract in full without any deduction or withholding except as required by law and the Buyer shall not be entitled to assert any credit, set-off or counterclaim against the Seller in order to justify withholding payment of any such amount in whole or in part and shall have no right to assert a lien on all or any of the Goods.

5.9. The Seller shall have a lien on any property of the Buyer in his possession for any sum due to the Seller.

5.10. The Seller does not accept payment to it being conditional upon the Buyer receiving payment from a third party.

5.11. Without limiting any other right or remedy of the Seller, if the Buyer fails to make any payment due to the Seller under the Contract by the due date for payment, the Seller shall have the right to charge interest on the overdue amount at the rate of 4% per annum above the then current base rate of the Bank of England, accruing on a daily basis from the due date of such payment until the date of actual payment of the overdue amount, whether before or after judgement, and compounding quarterly.

6. Credit Facility

6.1. The Seller may from time to time at its discretion offer credit facility services to the Buyer ("Credit Facility"), under which the Buyer shall be granted a credit allowance of a value to be determined by the Seller and notified to the Buyer in writing ("Credit Limit"), on the terms and conditions of this condition 6. For the avoidance of doubt, the Seller shall be under no obligation to supply or offer to supply the Credit Facility to the Buyer and shall be entitled to refuse to provide the Credit Facility to the Buyer for any reason.

6.2. Prior to the Seller supplying or offering to supply the Credit Facility to the Buyer, the Seller shall be entitled to undertake any such credit checks, identity checks or any other similar checks (whether or not required under applicable laws and regulations) ("Credit Checks") that it wishes in considering whether to supply or offer to supply the Credit Facility to the Buyer. The Buyer shall, promptly upon request from the Seller, supply (or procure the supply of) such documentation, information and other evidence as is reasonably requested in order for the Seller to carry out, and be satisfied that it has complied with, any such Credit Checks.

6.3. If the Seller decides that it shall offer to supply the Credit Facility for the Buyer, the Buyer may place Orders to purchase Goods and/or Services to a value which does not in aggregate exceed the Credit Limit. The total value of all Contracts entered into by the parties at any one time shall be the "Total Order Value".

6.4. At the time of offering the Credit Facility, the Seller shall notify the Buyer in writing of the conditions which shall govern the Buyer's repayment of the Total Order Value, including the dates and/or frequency at which such repayments shall be made (for example, monthly), the value of any such repayments, and the payment terms for such repayments (if different from those specified in condition 5 of these Conditions) ("Repayment Terms"). The Buyer shall repay the Total Order Value in accordance with any such Repayment Terms. The Repayment Terms may be updated by the Seller upon notice to the Buyer from time to time. If the Buyer does not pay any amount it is obliged to pay under the Repayment Terms when it is due:

6.4.1. the Buyer shall pay and interest shall accrue on such unpaid amount(s) in accordance with condition 5.11; and

6.4.2. the Seller shall have the right to suspend the further supply of Services or all further deliveries of Goods under any Contract entered into by the parties until all such outstanding amounts have been paid in full.

6.5. Upon repayment by the Buyer of any amount in accordance with the Repayment Terms (including any prepayment pursuant to condition 6.8), the Total Order Value shall immediately be reduced by an amount equal to the amount of the repayment.

6.6. Subject to condition 6.7, the Buyer shall not be entitled to place any Order to purchase Goods and/or Services under the Credit Facility where the Repayment Terms for that Order would bring the Total Order Value equal to a value above the value of the Credit Limit at any point in time.

6.7. The Seller may upon written notice to the Buyer:

6.7.1. at any time and at its discretion choose to increase the value of the Credit Limit; or

6.7.2. in the event that:

- the Seller becomes aware or reasonably believes that any of the information, documentation, and other evidence supplied by the Buyer pursuant to condition 6.2 is or may no longer be accurate;
- the Buyer fails to pay any amount due under these Conditions (whether in respect of the Total Order Value or an Order otherwise placed under these Conditions);
- the Buyer's insurance rating is reduced (or the Sellers reasonably believes the Buyer's insurance rating may soon be reduced);
- the Seller becomes reasonably concerned about the Buyer's ability to pay any amounts that may fall due under any Contract; or
- it becomes unlawful for the Seller to offer the Credit Facility, or to allow any Total Order Value to remain outstanding, as a result of:
 - any law or regulation being introduced or changed, or any change in the way any court or regulatory authority interprets or applies any law or regulation;
 - complying with any direction, request or requirement (whether or not having the force of law) of any monetary agency, central bank, or governmental or regulatory authority; or
 - any judgment, order or direction of any court, tribunal or authority binding on the Seller,

at its option:

- decrease the value of the Credit Limit (and to require prepayment of the amount by which the Total Order Value exceeds the decreased value of the Credit Limit);
- require the Buyer to prepay the entire value of the Total Order Value;
- cancel any outstanding Orders which have been accepted by the Seller in respect of which the Seller has not yet supplied any Goods or Services;
- require immediate payment of the Seller's outstanding unpaid invoices and interest and any other sums due to the Seller pursuant to the Contract, including (but not limited to) any work undertaken to provide the Services or Goods and for which no invoice has yet been submitted, in respect of which the Seller shall submit an invoice or invoices, which shall be payable by the Buyer immediately on receipt; and/or
- immediately withdraw the provision of the Credit Facility.

To require prepayment under this condition 6.7, Seller shall give notice to the Buyer demanding prepayment, detailing the amount to be prepaid, and giving the date for that prepayment. The Buyer shall prepay the Total Order Value as set out in the notice.

6.8. The Buyer may prepay part or all of the Total Order Value by notifying the Seller of its desire to do so, at which point the Seller may at its discretion choose to accept such prepayment (in which case, the Buyer shall prepay that amount of the Total Order Value in accordance with condition 5 of these Conditions) or refuse such prepayment (in which case, the Buyer shall not prepay that amount of the Total Order Value). The Repayment Terms shall continue to apply in respect of any outstanding Total Order Value following any prepayment under this condition 6.8.

7. Delivery / Supply

7.1. Delivery of the Goods shall be made in accordance with the terms of the Contract within normal working hours. Delivery of the Goods may also be made by the Buyer collecting the Goods at the Seller's premises at any agreed time after the Seller has notified the Buyer that the Goods are ready for collection or, if some other place for delivery is agreed by the Seller, by the Seller delivering the Goods to that place.

7.2. Any dates quoted for delivery of the Goods and/or supply of the Services are approximate only and time for delivery of the Goods and/or supply of the Services shall not be of the essence. Goods may be delivered by the Seller in advance of the quoted delivery date upon giving reasonable notice to the Buyer. The date(s) for delivery shall only commence upon full and final information from the Buyer and the approval of the Seller's information in writing by the Buyer.

7.3. The Seller may deliver the Goods by instalments which shall be invoiced and paid for separately (unless otherwise agreed by the Seller).

7.4. Without prejudice to any other exclusion or limitation on the Seller's liability under the Contract, if the Seller fails to deliver the Goods the Seller's liability shall be no greater than the reasonable cost to the Buyer (in

the cheapest available market) of similar Goods to replace those not supplied over the price of the Goods.

7.5. If the Buyer fails to take delivery of the Goods or fails to give the Seller adequate delivery instructions at the time the Goods are ready for delivery then, without prejudice to any other right or remedy available to the Seller, the Seller may store the Goods until actual delivery and charge the Buyer for the reasonable costs (including insurance) of storage. Where the Seller had already transmitted the Goods to the Buyer but the Buyer has failed to take delivery, the Buyer shall also indemnify the Seller against any and all costs, losses and charges incurred by the Seller in transporting the Goods back to the Seller's place of business or storage.

7.6. Subject to condition 7.2, the Seller shall use reasonable endeavours to meet the time for delivery of Goods and/or supply of Services.

7.7. Without prejudice to any other exclusion or limitation of the Seller's liability in these Conditions, the Seller shall not be liable to the Buyer for any delay caused by the following events or circumstances:

7.7.1. the Seller not having received from the Buyer (or if appropriate from any third party) in due time any necessary instructions, information, calculations, drawings, details and/or parts;

7.7.2. the Seller's inability for reasons beyond his control to secure such Goods or materials or services as is essential to meet the requirements of the Buyer;

7.7.3. any act or omission of the Buyer;

7.7.4. if the Buyer is entitled to any extension of time for completion of any works pursuant to any contract the Buyer has with a third party; or

7.7.5. if the Buyer would have been delayed in his performance of any other contract in any event due to the act or omission of any other person.

7.8. The Buyer shall not return any Goods to the Seller without the Seller's prior written authorisation. In any event any such return shall be made at the sole risk and expense of the Buyer and shall not entitle the Buyer to a refund in respect of any Goods already paid for by the Buyer. Unless agreed in writing by the Seller, the Seller shall always be entitled to payment in accordance with these Conditions for any returned Goods. Any Goods which are accepted for return by the Seller shall not have been used or altered in any respect and shall be in the same condition as they were at the date of delivery.

7.9. Unless otherwise agreed in writing between the Buyer and the Seller, the Goods shall be delivered ex works (as defined by Incoterms) and therefore not including package, loading, transport, delivery, unloading, insurance, and the Seller shall be under no obligation to give notice under section 32(3) of the Sale of Goods Act 1979.

7.10. The Buyer shall be responsible for arranging inspection of the Goods at the Seller's premises if required before shipment. For clarity, the Warranty Period for claims pursuant to condition 9.2 shall commence on the date of inspection.

7.11. Where the Goods are supplied for export from the United Kingdom:

7.11.1. the Buyer shall be responsible for complying with any legislation or regulations governing the importation of the Goods into the country of destination and for the payment of any duties thereon;

7.11.2. the Seller does not warrant that the Goods will comply with any legislation or regulations applicable in the country of destination; and

7.11.3. unless the context otherwise requires, any term or expression which is defined in or given a particular meaning by the provisions of Incoterms shall have the same meaning in these Conditions, but if there is any conflict between the provisions of Incoterms and these Conditions, the latter shall prevail.

8. Risk and Title

8.1. The risk in all or any of the Goods shall pass to the Buyer either:

8.1.1. at the time when the relevant Goods have been delivered to the Buyer;

8.1.2. at the time when the relevant Goods are ready for delivery, but the Buyer has refused to take delivery or provide adequate instructions for delivery to be effected;

8.1.3. on collection of the Goods by the Buyer or their servants or agents; or

8.1.4. where the Buyer has requested they collect the Goods, within 3 calendar days of the date of notification by the Seller to the Buyer that all or any of the Goods are ready for collection,

whichever is the earlier.

8.2. In respect of conditions 8.1.2 and 8.1.4, prior to the Buyer collecting the Goods or actual delivery, the Seller may at his absolute discretion store the Goods anywhere at the Buyer's risk and expense.

8.3. Notwithstanding delivery and the passing of risk in the Goods or any other provision of these Conditions, title in all or any of the Goods shall not pass to the Buyer until the Seller has received payment in full for the Goods and additionally has received payment in full of any and all other sums which may be due to the Seller pursuant to the Contract (in cash or cleared funds).

8.4. Until such time as title in the Goods passes to the Buyer, the Buyer shall:

8.4.1. hold the Goods as the Seller's fiduciary agent and bailee;

8.4.2. keep the Goods separate from those of the Buyer and third parties;

8.4.3. keep the Goods stored in dry and clean conditions and insured and identified as the Seller's property;

8.4.4. take all reasonable precautions to protect the Goods from damage or loss arising from any cause;

8.4.5. keep the Goods insured in the amount of the price at which the Goods are sold to the Buyer against loss, damage and theft, and if the Goods are destroyed by any such insured risk prior to the same being paid for by the Buyer, the Buyer shall receive the proceeds of any such insurance as trustee for the Seller; and

8.4.6. not incorporate the Goods into any other property.

8.5. Before title in the Goods has passed to the Buyer and without prejudice to any of its other rights and to the extent permitted by law, if:

8.5.1. the Buyer is Insolvent; or

8.5.2. the Buyer is in breach of condition 5 (Prices and Terms of Payment) in respect of the Goods,

the Seller shall have the right to recover or re-sell the Goods or any of them and may enter upon the Buyer's premises or any third party premises where the Goods are stored and repossess the Goods.

8.6. Until such time as title in the Goods passes to the Buyer, the Seller shall be entitled at any time to require the Buyer to deliver up the Goods to the Seller and, if the Buyer fails to do so forthwith, to enter upon any premises of the Buyer or any third party where the Goods are stored and repossess the Goods.

8.7. If Goods supplied by the Seller whether in their original state or mixed or processed or otherwise are sold by the Buyer prior to any payment of any monies due from the Buyer to the Seller the monies received by the Buyer shall be received by him in trust for the Seller to the extent of the Buyer's indebtedness to the Seller and shall without prejudice to any other claim or right of the Seller against the Buyer be paid over to the Seller forthwith upon receipt by the Buyer.

9. Warranties

9.1. Every description or specification of the Goods and, if any, the Services, is given in good faith but all warranties, conditions and other terms implied by statute or common law as to the description of the Goods and/or Services or otherwise, are, to the fullest extent permitted by law excluded, and for the avoidance of doubt, the sale of the Goods and/or Services is not a sale by description.

9.2. Subject to condition 9.6, the Seller warrants to the Buyer that, in respect of Goods manufactured by it, the Goods will at the time of delivery be free from material defects in design, material and workmanship and shall remain so for the Warranty Period, irrespective of whether the Buyer had taken delivery of the Goods on such date. For the avoidance of doubt, the Seller shall have no liability whatsoever for or in relation to the Goods after the expiry of the relevant Warranty Period.

9.3. In the event that the Goods are not used and / or installed and / or applied as directed by the DoP and / or IOM:

9.3.1. the Seller cannot give any assurances as to how the Goods will operate and the Seller shall in any event have no liability, whether in contract or otherwise in law, to the Buyer or any third party, arising out of or in relation to such use of the Goods; and

9.3.2. any warranty that would otherwise arise in relation to the Goods shall be null and void, including all express or implied conditions, warranties, representations or other terms that may apply by statute any warranties that would otherwise arise under this condition 9.

9.4. Save as set out above, any conditions or warranties (whether express or implied by statute, common law or arising from conduct or a previous course of dealing or trade, custom or usage) as to the quality or fitness of the Goods and/or Services for any particular purpose, even if that purpose is made known expressly or by implication to the Seller, are hereby expressly excluded.

9.5.2. the Buyer (if asked to do so by the Seller) returns such Goods to the Seller's place of business at the Buyer's cost,

then the Seller may, at its option, repair or replace the defective Goods free of charge or at the Seller's sole discretion, refund to the Buyer the price of the Goods (or a proportionate part of the price). Any repaired or replaced Goods shall be subject to these Conditions (save that any repaired or replaced Goods shall not extend the original Warranty Period). Save as set out in this condition 9.5, the Seller shall have no further liability to the Buyer in respect of any defective Goods.

9.6. The Seller shall not be liable for the Goods' failure to comply with the warranty in condition 9.2, if:

9.6.1. the Buyer makes any further use of such Goods after giving a notice in accordance with condition 9.5;

9.6.2. the defect arises because the Buyer failed to follow the Seller's oral or written instructions and / or the DoP and / or IOM as to the storage, installation, commissioning, use or maintenance of the Goods or (if there are none) good trade practice;

9.6.3. the defect arises as a result of the Seller following any drawing, design or specification supplied by the Buyer whether as part of the Goods Specification or otherwise;

9.6.4. the Buyer alters or repairs such Goods without the written consent of the Seller;

9.6.5. the defect arises as a result of fair wear and tear, wilful damage, negligence, or abnormal working conditions; or
